Experience:

College Assistant, Hunter College, New York, New York (8/2018 – present)

- Serving as a discrete mathematics undergraduate tutor and teaching assistant, assisting with recitations, exam proctoring and grading.

Pre-Career Change:

Litigation Paralegal, McLaughlin & Stern, LLP, New York, New York (4/2015 – 10/2017)

- Served as one of two primary litigation paralegals for the New York Office of mid-size law firm, McLaughlin & Stern, LLP. Worked with lawyers from the litigation, matrimonial, and trusts and estates law groups (approximately 15-20 attorneys total). Responsible for managing workload and time allocation to meet frequently concurrent needs.
- Charged with preparation, service and filing of legal documents: research of court rules and filing procedures; drafting, review, and editing of legal documents, from correspondence to motions and legal briefs; assembly of documents and exhibits; handling service of documents on involved parties; arranging for, or executing, paper or digital filing.
- Fulfilled critical roles in the discovery process: scanned, reviewed, bates-stamped and redacted documents for, or from, production; utilized discovery vendors where needed; participated in large document reviews for pertinent, privileged or confidential materials; aided in the drafting and review of interrogatories, document responses and privilege logs.
- Contributed to employment and class action cases by creating or modifying Excel spreadsheets in order to aggregate and analyze data. Prepared pay/salary spreadsheets and reports as needed.
- Carried out various research tasks and projects: researched court and judges’ rules, decisions, statutes, case dockets and filings; sought information on involved parties such as organizational policies, prior litigation or media histories; prepared and dispatched FOIA and FOIL requests.

Volunteer/Research Assistant, Green-Wood Cemetery, Brooklyn, New York (Intermittent, 7/2011 – 4/2015)

- Co-managed data entry and preparation for Green-Wood’s Civil War Veteran Data-Visualization Project with resident historian Jeffrey Richman: hosted, moderated, and contributed to, an immense spreadsheet on Civil War Veterans.
- Assisted Mr. Richman by editing and improving a master historical-biographical list.
- Participated in monthly research days, organizing and preserving records.

Skills:

-
- Intermediate proficiency in C++. Basic proficiency in JavaScript, Git/Github, Python and Arduino.
 - Comfortable with UNIX-based systems.
 - Proficient in Microsoft Word, Excel, Powerpoint and Outlook; Adobe Acrobat Pro.
 - Familiar with Relativity and FTI Ringtail e-Discovery platforms.
 - Familiar with World Catalog and other academic databases; WestlawNext and Lexis Advance legal research platforms.
 - Basic proficiency in video, image, and sound editing (Pixelmator, Sony Vegas Movie Studio, iMovie, Audacity).
